3rd February 2016

I am writing to you on behalf of Petrockstowe Parish Council with regard to your property No 4 The Square, Petrockstowe.

The house and garden, having been unoccupied for several years, is falling into a state of disrepair and is becoming an eyesore within our village. The outside of the building looks neglected and the trees are overgrown. There are concerns from the immediate neighbours that the house is damp and could affect their own properties.

We would like to know if you have any plans for the property, and would also make you aware of the need for rental properties within this area.

I am sending this letter to you at your last known address (as above) and also via Torrridge District Council who have the address registered to pay the Council Tax on the property, and apologise if you receive duplicate letters.

I look forward to hearing from you in the near future. If you prefer, you can contact me by e-mail (petroc.clerk@hotmail.com)

Yours sincerely

Fiona Lowe
Parish Clerk
Petrockstowe Parish Council
